

YOUNG AMBASSADORS

2012 CELEBRATION EVENING

What a Year for Sport!!

2012 should be an amazing year for school and community sport. Warrington School Sport Partnership would like to invite all new and existing Young Ambassadors, School Sport Organising Committee members and their parents to attend an evening session to discover what is planned within the town in this Olympic year, and how they can get involved. The evening will include a talk from an Olympian, performances and training workshops aimed at supporting students in their roles.

**JOIN US FOR AN EVENING OF INSPIRATION,
